

9TH EDITION OF RECREATION FUN

CHILDREN'S RECREATION SCHEDULE FOR 2018

Our mission is simple:

Empowering people with intellectual and developmental disabilities to live productive and rewarding lives aligned with their goals and choices.

- The children's recreation component serves individuals who reside in Montgomery County and are between the ages of 6 - 17.
- Note: There are some changes in the respite program for 2018.
- It is important to read the details of the activity prior to registering for the event. Pay close attention to the age group and qualifications for each activity, along with the cost, drop-off location and time.

**Please note the location drop-off and pick-up points listed for each activity. According to ODE laws, transportation by the Montgomery County Recreation Program, for individuals ages 6-9, is prohibited.*

Recreation Goals - During the 2018 year, the Recreation Department's goals are to

- promote and encourage socialization in a safe environment.
- provide a variety of activity opportunities in the community.
- promote physical fitness activities.
- work with families to best meet their needs.

Family Home Services (FHS) Money

- If you **have a waiver**, you will not be eligible for Family Home Services. Activities must be private paid.
- If you **do not have a waiver and are current on Family Home Services**, you may use your entire allocation for the recreation services offered by MCBDDS. It is important that you are signed-up and current with Family Home Services to be able to take advantage of this funding. The center pages of this book contain the forms you will need for the Recreation Department.

Registration - Availability is limited; registration is on a first-come, first-served basis.
So, register early!

There are many ways you can register.

- **Register online** at www.mcbdds.org.
 - By visiting the MCBDDS website and clicking the “Recreation” tab, you can view this book, view the registration checklist and see cancellation notifications. Our website is a great tool to access program offerings and to print forms you may need.

Have you moved? - You can update your mailing/email information online:
<http://www.mcbdds.org/651/Update-My-Contact-Information>

Feedback - Feedback is important, therefore, we ask you to complete the enclosed survey. The survey lets us know how we are doing and will help us plan future outings.

Illness/Injury - Children who are experiencing cold or flu-like symptoms are asked to please stay home. The health of all the children attending an activity is our concern. This includes, vomiting, fever and diarrhea.

Cancellations - Occasionally, your activity may need to be cancelled. You will be notified if/when that activity is rescheduled. If the MCBDDS agency is closed, due to inclement weather, the activity scheduled for that day will also be cancelled. If you are unsure if a program is cancelled, please call (937)918-2110 for a message concerning the activity. You may also visit our website to see if the agency or any activities are cancelled (www.mcbdds.org). If you have paid the activity fee, it will be credited to your account, if not rescheduled. If you have used (FHS) to pay for the activity, and it is cancelled, it will be credited back into your FHS account.

Refunds - If you have paid for a trip and have to cancel, **you will be credited the fees, if you cancel two full weeks prior to the activity.** We will not credit any cancellations that are made within the two weeks of the activity. ***The exceptions are events at LaComedia and the Shuster Center, which will only be refunded six weeks prior to the activity.**

Payment Deadlines - Trips and activities have deadlines for payment. In order for you to participate, you must have the money in by the deadline date. We will invoice you for the total - this will help us organize and plan appropriately for the activities. You are permitted to pay for the activities each month, in order to not receive a large bill at the beginning. **Reminders will not be sent out.** Please make checks payable to: **Montgomery County Board of DDS.**

Assessments - Health and safety is important to our program. If you are new to our program, an assessment will need to be scheduled. This will help us determine how to best serve your child with their individual needs. Assessments will last approximately a ½ hour. You will need to bring your child and a copy of their insurance card. You can receive registration help at assessments and can ask any other questions you may have. Assessments also help us to determine our staffing ratios as well as what programs will best suite your child. To make an assessment appointment, call Eddie Green (937) 918-2119.

Individual Information Data - In order for us to provide the most appropriate services to you and your family, our staff will need updated information. **The following must be current and on file:**
