

RECREATION AND YOU

RECREATION SCHEDULE FOR 2010

This is the 23rd edition of the “Recreation and You” schedule. There are some changes in the Recreation Program. We are working on eliminating waiting lists as much as possible; therefore we are adding spaces to some of the activities. Each event/activity will have listed the maximum number and a minimum number of 8 individuals required for the activity to take place. If there are less than 8 individuals registered two weeks prior to the activity, it will be cancelled. We are instituting this change due to the number of events the past 2 years where cancellations occur leaving us with more staff than individuals participating.

There is a new recreation assistant, Bridgett Faun-Shuler. She will primarily be doing the children’s recreation program, but will occasionally be seen with the adult program. With the children’s recreation program starting, you will see many new staff as well.

You can now go to Montgomery County Board of Developmental Disability Services internet site and click Recreation to get the book, registration check list as well as how many spaces that are still available for outings. Also, if you need to reach me, it often easier if you email me at akitchen@mcbdds.org.

01/11/10

The biggest change will be the addition of 700 Liberty Lane. We anticipate having programs at the new facility starting in December 2010. Please make sure that you check where the activity will be held. We will no longer be at Bomberger, so social nights will be held at Northview until 700 Liberty Lane renovation is completed.

You will see new programs as well as new staff choice trips. I look forward to implementing the changes in 2010 and working on improving the program.
