# Accessible Ohio State Parks in Southwest Ohio

Ohio State Parks offers facilities that allow park visitors of all abilities to enjoy the simple pleasures of life.

In southwest Ohio, for example, John Bryan State Park and Little Miami have level trails and overlooks, while seven lakes have accessible fishing piers and six state parks have accessible cabins or full-service campsites. Also, the lodge at Hueston Woods has accessible rooms and elevators.

## OVERNIGHT ACCOMMODATIONS

### Lodge and Conference Centers

Accessible guest rooms include wider doorways and restrooms designed to accommodate wheelchairs. In some of the lodges, the accessible rooms are located on the ground floor, and in others, an elevator provides access to the guest rooms as well as other lodge facilities including dining rooms and indoor pools with lifts.

### ADA Cabins

Accessible cabins offer similar floor plans, including a kitchen with full-sized appliances, dining area, spacious living room, two bedrooms with twin, bunk or full-sized beds, a bathroom with shower and a roomy screened-in porch. Many have recently been renovated.

### Campsites

Special features may include extra wide paved pads on level grades, berms, modified picnic tables, fire rings and/or grills or water fountains. These sites may be close to restroom buildings with entrance ramps, accessible fixtures, grab bars and wide stalls.
