- If you **have a waiver**, you will not be eligible for Family Home Services. Activities must be private paid.
- If you **do not have a waiver and are current on Family Home Services**, you may use your entire allocation for the recreation services offered by MCBDDS. It is important that you are signed-up and current with Family Home Services to be able to take advantage of this funding. The center pages of this book contain the forms you will need for the Recreation Department.

Cancellations - Occasionally, your activity may need to be cancelled. You will be notified if/when that activity is rescheduled. If the MCBDDS agency is closed, due to inclement weather, the activity scheduled for that day will also be cancelled. If you are unsure if a program is cancelled, please call (937) 918-2110 for a message concerning the activity. You may also visit our website to see if the agency or any activities are cancelled (www.mcbdds.org). If you have paid the activity fee, it will be credited to your account, if not rescheduled. If you have used (FHS) to pay for the activity, and it is cancelled, your account will be credited.

Refunds - If you have paid for a trip and have to cancel, **you will be credited the fees, if you cancel two full weeks prior to the activity.** We will not credit any cancellations that are made within the two weeks of the activity. ***The exceptions are events at LaComedia, Schuster Center and overnight trips, which will only be refunded six weeks prior to the activity.**

Payment Deadlines - Trips and activities have deadlines for payment. In order for you to participate, you must have the money in by the deadline date. We will invoice you for the total – this will help us organize and plan appropriately for the activities. You are permitted to pay for the activities in each month, in order to not receive a large bill at the beginning. **Reminders will not be sent out.**

*Please make checks payable to: **Montgomery County Board of DDS.**

Assessments - Health and safety is important to our program. If you are new to our program, an assessment will be scheduled. This will help us determine if we feel that, as a program, we can safely provide the service for you in the community or if you will need to attend one of our programs offered in one of our facilities. **Our staff ratio is 1 staff to every 3 individuals.**

Individual Information Data - In order for us to provide the most appropriate services to you and your family, our staff will need updated information.
