Cancellations – If an activity is cancelled, you will be notified if/when that activity is rescheduled. If the MCBDDS agency is closed, due to inclement weather, the activity scheduled for that day will also be cancelled. If you are unsure if a program is cancelled, please call (937) 918-2110 for a message concerning the activity. You may also visit our website to see if the agency or any activities are cancelled (www.mcbdds.org). If you have paid the activity fee, it will be credited to your account, if not rescheduled. If you have used (FSSP) to pay for the activity, and it is cancelled, your account will be credited.

Refunds – You must cancel 2 weeks prior to the activity. If tickets have been purchased, we will try to fill from the waitlist. If we are not able to fill the spot, you are responsible for the payment.

Payment Deadlines - Trips and activities have deadlines for payment. **In order for you to participate, you must have the money in before the scheduled activity.** We will invoice you for the total. You are permitted to make payments in order to not have a large bill.

Please make checks payable to: *Montgomery County Board of DDS.

Assessments - Health and safety is important to our program. If you are new to Recreation, an assessment will need to be scheduled. This will help us determine how to best serve your child with their individual needs. Assessments will last approximately a ½ hour; child will need to be present. You can receive registration help at assessments and can ask any other questions you may have. Assessments also help us to determine our staffing ratios as well as what programs will best suite your child. To make an assessment appointment, call Eddie Green (937) 918-2119.

Have you moved? - You can update your mailing/email information online:

<http://www.mcbdds.org/651/Update-My-Contact-Information>.

Illness/Injury - Children who are experiencing cold or flu-like symptoms are asked to please stay home. The health of all the children attending an activity is our concern. This includes, vomiting, fever and diarrhea.

Feedback - Feedback is important, therefore, we ask you to complete the enclosed survey. The survey lets us know how we are doing and will help us plan future outings.
