What Are Boundless Clubs?

COVID-19 may have changed the way the world operates, but it hasn't changed our desire to make friends, have fun, learn new things, or to stay active and engaged. Our new Boundless Clubs program offers a virtual bridge to the experiences and connections we treasure.

How It Works

Where

Groups meet daily using a safe, virtual "Club House."

Who

Clubs are customized so that each person can participate at the level that works best for them.

When

Clubs meet Monday-Friday for a one hour, morning and/or afternoon session.
