Protecting Others: My Health and Safety Pledge

People served through my employer and the Montgomery County Board of Developmental Disabilities Services (MCBDDS) are among those most at risk for serious complications due to COVID-19.

To help ensure the safest possible environment for the people I serve, I confirm that I:

- Will follow all COVID-19 safety measures set forth by the Centers for Disease Control and Prevention (CDC), the Ohio Department of Health (ODH), and the Governor, **both while at work and in my personal life** (updates are posted at MCBDDS.org);
- Will follow all COVID-19 precautionary measures established by my employer while I am working;
- Understand that basic COVID-19 safety obligations include wearing a mask while around others, socially distancing at least 6 feet; washing hands often; and staying away from large groups, whether at work or in my personal life;
- Will inform my provider of the Personal Protective Equipment that I need to serve individuals safely;
- Will report any illness-related symptoms to my employer immediately.

MCBDDS thanks you for your hard work and diligence during this very difficult time, and for being mindful of staying as healthy as possible so we can keep those we all serve healthy and safe.

For your ongoing commitment to following these guidelines, please accept this thank you of \$100.00.
