Family Matterz LTD was founded by Kemekea Washington. Kemekea, B.A., M.A. graduated from Wright State University with her bachelor's degree in Criminal Justice in 2014 and her M.A in Applied Behavioral Science in 2018. Upon doing research for her thesis Kemekea found that her ideas aligned similarly with Urie Bronfenbrenner's work which states that a child/persons has a better chance at success if all layers of their ecological systems work together successfully with a major part that being integration. Kemekea's background includes drug and alcohol abuse counseling, cognitive behavioral specialist, trauma informed care facilitator, behavioral support intervention specialist & as a Service & support Administrator.
